18<sup>th</sup> April 2018

Dear Parents/Carers,

We will be holding a SATs workshop on Monday 23<sup>rd</sup> April at 3.30pm and then this will be repeated at 5.30pm. This will last for approximately half an hour and will include information on what will be required of your child in the SATs, how we will administer the tests, examples of the question types and advice on how to support your child during this time.

Although we will try to answer all of your questions during the meeting, afterwards, you will then have a chance to speak one to one with your child's class teacher on a first come, first serve basis. We would like to know how many parents think they may wish to speak to us so we can accommodate enough time to answer any queries.

Please return the slip below indicating which session you wish to attend and whether you would like a slot to speak to us afterwards.

Thank you,

Year 2 teachers
