Dear Parents and Carers,

Consultation about Revised School Uniform Statement

After a number of requests from parents and carers, we have decided to review our School Uniform Statement. We have included a copy of the proposed statement with this letter.

It is important that the school keeps and strengthens its identity, so we are not proposing any major changes to the uniform. We have reduced the number of options for some items and tried to introduce more consistency.

You don't have to buy your school uniform from us, but we do want all children to wear the school logo. Would you like to have the option of buying iron-on school logos to put on your children's clothes?

We are also thinking about offering an online school uniform service and want to know if this would be more convenient for you.

We have set up a page on the school website for you to make your comments about the proposals. Please follow this link:

The consultation finishes on Friday, 12 May. We will look at your comments and intend to publish the final School Uniform Statement before half term. The new School Uniform Statement will then take effect from September 2018.

We look forward to hearing your views.

Yours faithfully,

Guy Fairbairn
Headteacher
