

4 May 2018

Dear Parents and Carers,

### **Class Dojo and GDPR**

To ensure we are compliant with the new General Data Protection Regulation (GDPR), we are making some changes to our storage and use of data at school.

One of these changes is that staff will now only access Class Dojo from computers on the school site. Your child's teacher will not be able to access messages sent via Class Dojo on any other devices or outside normal school hours. This will mean that you may have to wait a little longer before you get a response. We are sorry if this causes any inconvenience but we have to be sure that we are meeting the requirements of the regulations.

Thank you for your support in this matter,

Guy Fairbairn  
Headteacher
