

15 May 2018

Dear Parents/Carers,

LONDON HISTORY DAY

Monks Orchard are pleased to announce that for the first time we shall be taking part in London History Schools Day on Friday, 25 May.

London History Day is an annual celebration of the capital's extraordinary history and heritage. Each class will choose from a category to base their celebrations on. The categories are: key dates in London's history, London Icons and London Communities.

This event is an exciting opportunity for our children to learn about London's history and get to know about how people dressed, spoke, what they ate, as the categories cover over hundreds of years of London's history.

At some point this week, each class will discuss each category and make a decision on their historical celebration.

We would appreciate it if you could discuss with your child the chosen celebration and encourage them to make a costume, banner, posters etc for them to bring to school on Friday, 25 May. We shall have a Street Party in the afternoon. Please send your child in with a plate of food, no fizzy drink and a towel to sit on.

Thank you for your continued support,

Yours sincerely,

The Curriculum Team
