Dear Parents and Carers,

### Classes for September

A number of you have been asking about classes and teachers for September. We are still in the process of recruiting staff and until that process is complete we are not able to finalise which teachers will be taking each class.

We still intend to let you know who your child's next teacher is going to be earlier than in previous years, but we would rather hold on for another week or so, than tell you one thing then have to change it.

Thank you for your understanding and patience.

Yours faithfully

Guy Fairbairn  
Headteacher
