

## **MONKS ORCHARD PRIMARY SCHOOL AND NURSERY**

### **ADMISSIONS CRITERIA**

As a Local Education Authority School the admissions process is arranged by the Education Department in Croydon, using the following criteria:

- Siblings have priority. A sibling has to live at the same address and should have attended Monks Orchard and not left more than 12 months prior to the proposed entry of the Reception child.
- Medical cases
- Looked after children
- Geographical: Children within the area of intake which changes yearly are considered before children from other geographical areas.

Most of the same criteria apply to our Nursery. However, applications are made via the school. Children may enter the Nursery the September after their third birthday.
