Dear Parents/ Carers

We hope that your children have settled into the new school year well!

We would ask all parents to be considerate when you are bringing your children to school in the mornings.

We try to build positive relationships with our neighbours and would ask parents not to park across driveways and on grass verges restricting access to and from driveways. If you drive your children to school please do not double park in the side roads, this is dangerous and causes accessibility problems for local residents, council and emergency services.

It is very busy in the morning and we appreciate the effort taken to get your children to school on time but please be considerate and think about the local residents.

Your co-operation is much appreciated.

Yours sincerely

Mrs Kerrie Hay
School Business Manager
