TO ALL YEAR 1 & 2 PARENTS/CARERS

Dear Parents/Carers

Unfortunately, over the last few weeks we have had a number of reports of the toilets being misused by the children in the Rainbow building, e.g. mirrors smeared with soap, whole rolls of toilet paper being put down the toilet, water and soap splashed on the floor leading to slippery conditions.

Although we know it is probably only a few children making this mess, we have spoken to them all about it. It would be really helpful if you could talk to your children tonight and remind them about appropriate behaviour whilst using the toilets.

We would be reluctant to take an adult out of the classroom to supervise the children during lesson time, but if this behaviour continues it is a measure we may need to take.

Thank you for your co-operation.

Yours sincerely
